

## Delves Lane Primary School

### SPORTS PREMIUM SPENDING DOCUMENT 2018-19

#### **Introduction:**

Delves Lane Primary School recognises the vital contribution of Physical Education to a child's physical, cognitive, social and emotional development. Physical Education provides pupils with the opportunity to be creative, competitive and develop resilience as individuals and in groups or teams. It promotes positive attitudes towards a healthy and active lifestyle and allows children to take on different roles or responsibilities such as leading, officiating and coaching. At Delves Lane Primary School, we want all children to enjoy physical activity and sport and continue to engage with these throughout their lives to help maintain a healthy and active lifestyle.

As a Rights Respecting school, ensuring that we support the fundamental rights of our children – as set out by the UN Convention on the Rights of the Child – is central to our beliefs. Through the use of our SP funding, we will be able to further promote articles such as Article 24 (the right to the best possible health) and Article 29 (to develop every child's personality, talents and abilities to the full).

Since September 2013, the government provided additional funding of £160 million per annum to improve PE and School Sport (PESS) provision in all primary schools across England. Following the General Election, the government has committed to this funding scheme until 2020. This funding - provided jointly by the Department for Education, Health and Culture, Media and Sport - is allocated to primary head teachers and can only be spent on sustainable provision for PE and School Sport. From the 2018-19 academic year, it was agreed as part of the Childhood obesity strategy that funding would double to £320 million per annum to further support schools across the country. The yearly allocation is calculated using a base amount of £16,000 per school with additional funding of £10 per pupil according to the number of children on role in each school.

#### **Government priorities for PE and School Sport:**

- To achieve high quality PE.
- To increase participation and inclusion.
- To promote healthy, active lifestyles.
- To provide competitive school sport.
- To develop leadership, the curriculum and subject profile.
- To contribute to pupils' overall achievement.
- To develop partnerships.

## **School priorities for PE and School Sport:**

At Delves Lane Primary School, PE and School Sport is a high priority and we have a wide range of provision in place throughout the school day and after school. Our school aims for PE, supported by the Sports Premium funding, are;

- To provide a broad and balanced, high quality PE curriculum that exceeds the requirements of the National Curriculum and encourages children to excel.
- To increase children's participation in extra-curricular physical activity including Afterschool Clubs, Intra-school Competition and Inter-school Competitions and establish clear community links/ sporting pathways whereby children can continue their learning outside of school.
- To develop a positive culture around PE, involving both children and staff, which promotes a healthy, active lifestyle and physical wellbeing.
- To advance the children's social and emotional maturity through the development of self-confidence, self-esteem and resilience, promoting at all times the values of honesty, respect, determination, fairness, tolerance, teamwork and sportsmanship.
- To provide all children with exciting and varied opportunities to develop fundamental movement skills and the confidence and competence to apply their skills in different contexts.
- To increase the number of children leaving Year 6 that can swim 25m confidently and competently and perform safe self-rescue.

## **Sports Premium allocation 2018-19:**

Total number of pupils on roll as of September 2018 = 269

Amount of Government Funding received for 2018-19 = £18,690

Whilst the Sports Premium funding is a welcome contribution to the promotion of sports, PE and healthy lifestyles, the school makes significant additional contributions to the promotion of this area of the curriculum. We have also gained grants, sponsorship and donations for provision through a number of different schemes such as the 'Premier League Players' Kit Scheme' and have identified future opportunities to raise money to enable our children to continue to have the best possible experiences of PESS during their time at Delves Lane Primary School.

## **Sports Premium breakdown 2018-19:**

*£5,160 carried forward from 2017-18 SP allocation.*

- (£6,650) Foundation of Light specialist PESS provision to support the development of a wide and varied curriculum and model high quality PE teaching to school staff. This payment also provides access to a range of extra-curricular festivals linked to this provider and additional funding/ free equipment opportunities.

- (£5,545) PE Leader TLR and release time to continue the development of PESS across the school focusing on the school aims for PESS as shown above.
- (£1,224) Grounds development including an OPAL climbing frame area, fold out football goals, football pitch markings and track markings to improve curriculum and extra-curricular provision.
- (£1,190) Blackburn Rovers Enrichment Program including two days of specialist PESS provision, a football and dance holiday sports camp and a match day tour of Ewood Park Stadium the home of Blackburn Rovers FC.
- (£1,053) Replenishment of expendable PE equipment and resources such as Gymnastic Mats, Badminton Resources, Skipping Ropes, Quoits to facilitate high quality PE provision.
- (£510) House Reward Trips for the termly winning houses. Trips have an active focus and include visits to Ultimate Bounce Trampoline Centre, Crazy Kingdom Play Area, The Party Bus Soft Play Zone and The Beach.
- (£395) SYL Hula Hooping Celebration Day as part of Healthy Week to help foster that positive culture towards PESSPA using a fun and active medium.
- (£75) Primary Licence Fee providing access to Play Maker and Energy Kids club resources and equipment to help develop young leaders across the school.
- (£64) Spare Kit for KS1 and KS2 including swimming goggles, shin pads and clothing which allows all children access to PE Lessons, Swimming Lessons and extra-curricular provision.
- (£50) Derwentside Sports Affiliation Fees allowing extra-curricular access to multiple football, cricket and cross country events throughout the year.

*£7,094 to be carried forward to the 2019-20 SP allocation.*

### **Impact of Sports Premium Funding:**

Since September 2013, we have been able to greatly increase the range and quality of PE and School Sport provision at our school. The additional funding has enabled us to not only expand the range of provision and widen the curriculum offered within school but also invite a range of sporting providers into school to broaden pupil's interests in sports and physical activity such as the Foundation of Light, Blackburn Rovers FC, Hoopstarz, Mixed Martial Arts Experts and Ceilidh Dance Performers. As a result, there has been a significant increase in the number of children in our school who participate in physical activity and school sport through curriculum time activities, breakfast clubs, afterschool clubs, inter-school competition and holiday clubs. We have also seen increases in the number of children at specialist clubs outside of school. The introduction of multiple clubs in the local community, including the many holiday time clubs available (some of which are now being hosted on our school site during the Easter and Summer Holidays), have encouraged our children to be much more active and have been a real bonus in providing the children with opportunities to participate in physical activity outside of school. These community links and club pathways are displayed on our school's PE display to ensure that the children are aware of the up to date opportunities available to them. Alongside their success within school, children are ever increasingly coming in to school to share their sporting successes with us during school assemblies, school newsletters and on our school's PE display.

With the involvement of specialist coaches and providers, we have noticed an increase in motivation and commitment to PE lessons. Our specialist coaches are extremely skilled and have

introduced a wide range of new warm-ups, games and activities which our staff are now incorporating into their own practise across the areas of the PE curriculum. Teaching staff work closely with specialist providers as part of their own CPD through observations of the coaches and coach observations of curriculum teaching. Staff CPD is focused on curriculum areas identified by monitoring as priorities or are highlighted as a whole school improvement priority on the school development plan. In addition to this CPD, we previously invested in an extensive PE curriculum planning resource (LTPE) to further supplement the range of activities taught during PE sessions and ensure high quality PE across the breath of the PE curriculum. As a result of staff development through the support of our specialist coaches and planning tools, the delivery and quality of PE lessons has improved providing fun, dynamic lessons which stretch and challenge our children and allow them opportunities to lead their own learning. An example of this development is our whole school Dance festival which has now been running for several years where every class performed a dance for the rest of the school. The event has been a huge success and the level of performance was very high from all classes across the school engaging many children that may historically been disengaged from such activities. This year we were also able to use our partnership with the Foundation of Light to fund one of our classes to perform their Dance at an inter-school dance festival. It is intended to expand this event next year with the possibility of inviting parents to watch their children's performances to help foster stronger community links. We are delighted to see an improvement in the self-esteem and confidence of our children who now can excel in new areas of the curriculum and explore sporting activities which they would not normally have been exposed to. This confidence has led to our children having the ability to self-assess their own skills against those of their peers, set personal challenges, recognise targets for improvement and take on new roles as part of the curriculum PE leaders and officials. The Primary Licence Fee resources has allowed us to incorporate 'Young Leader' training, which is greatly enjoyed by pupils, into the Year 5 curriculum which has helped the development of young leaders across the school.

Through PESS we aim to develop a greater awareness of health dangers such as obesity, smoking and poor diet. As part of this school focus we have introduced a 'Healthy Week' into the summer term during which the whole school will focus on themes surrounding healthy and active lifestyles. To create an atmosphere of celebration and engagement, we were able to use the SP funding to bring in providers such as YSL Hula Hooping who ran fun 'keep active' sessions with all year groups. Sports premium funding was also used to invite professional football coaches from Blackburn Rovers FC. The coaches held football and dance training sessions with every class across the school just as they would with the millionaires at Ewood Park. However, as part of this program the coaching staff also held workshops on nutrition and healthy lifestyles discussing themes such as the variety of food choice in football clubs today due to the influx of players from every part of the world which shared valuable messages about healthy lifestyles through an engaging medium. Alongside this exciting curriculum enrichment, we also arranged a very successful Dance and Football Holiday Sports Camp which children from across KS1 and KS2 attended. Furthermore, we were able to organise a VIP match day visit to Ewood Park Stadium for over 30 of our children and parents. During the visit, the children took part in a training session at the academy facilities, met with team mascot and were even pitch side at the start of the match to see out the players. All the children and parents who attended the trip had a fantastic experience and which was shared across the school upon their return. This was a fantastic opportunity for the children and one they would not have benefitted from had we not had the sports premium funding in place to subsidise the cost of all the events.

To ensure all our children can access our PE curriculum, we have continued to develop an extensive store of spare PE kit (including shirts, shorts and shoes) in both the infant and junior buildings using the additional funding provided. We have also been able to provide spare Swimming kits (including towels, shorts, bikinis and goggles) for children who did not bring/have suitable swimming kit for their swimming lessons and provide sports kit (including shin pads, boots and goal keeper gloves) to allow all children access to our wide range of extra-curricular provision. This has allowed us to ensure that all our children can take part in all PE lessons, Swimming lessons, Afterschool Clubs and Inter-school Sporting Competitions and has helped to raise the attendance but also attainment of children who frequently did not have suitable kit for lessons. The introduction of the spare kit has been highly effective and the use of this resource has steadily decreased since its introduction as many more

children are now bringing their own suitable clothing for lessons. This demonstrates the improved attitudes pupils have towards their PE lessons and has also helped highlight the importance of having suitable PE kit for the children's health and wellbeing.

During the last academic year, we have been able to use the Sports Premium funding to extend the range of PE equipment and OPAL Play resources across the school. We have also applied for free resource packs and received a large amount of PE equipment as part of the Premier League Players' Kit Scheme'. This provision has allowed us to improve the quality of our PE curriculum but also provide the children with a range of new resources such as outdoor speakers, climbing frame areas, natural woodland that can be used for 'Play' during break and lunch times. All school staff have undertaken 'Play' training to further support the outdoor provision during breaks and lunchtimes and encourage physical activity. This has greatly improved the children's attitudes towards physical activity as our children have become much more active during these times. Furthermore, through the introduction of structured resources such as football goals and pitch markings we have been able to run various structured intra-school competitions across the curriculum this year which the children have greatly enjoyed. These events have contributed to the development of positive sporting values across our school but also improved the children's self-esteem, confidence and resilience as all children now have the opportunity to excel and experience defeat in a nurturing environment. The development of these outdoor spaces have also enabled Delves Lane Primary School to become a 'host school' for both the boys and girls primary school football leagues which has helped to further raise the profile of PESS, particularly extra-curricular sport across the school and within the wider community with many parents and pupils spectating at events. The promotion of a successful sporting values at our school is linked to our work on achieving the Sainsbury's School Games Mark. This year Delves Lane Primary received the Gold Award, a fantastic achievement, which demonstrates the progression of PESS within our school and ensures we are recognised for the delivery of high-quality PE and school sport provided. As part of the development of an active culture at Delves Lane Primary school we have continued to embed the House Points system across the school through House Cup Sports events in each year group and active House Reward Afternoons at the end of each term which are discussed and agreed upon by our school and sports councillors. This has allowed us to encourage a positive ethos across our school surrounding PESS through the opportunity to participate in a wide range of sport and physical activity.

### **Impact of Sport Premium Funding - Swimming:**

At Delves Lane Primary School, raising the attainment of our pupils in swimming to that of the expected standard of 80% in County Durham has been priority since the 2015-16 academic year. In response to this, the Sports premium funding has been used to improve the quality of swimming provision in various ways. The introduction of spare swimming kit funded by the Sports Premium has had a significant impact on pupil participation in swimming lessons and now ensures that all children can swim with suitable swimming equipment every week. The model for swimming across year groups has been updated acting upon advice and CPD from the local authority to ensure the best possible outcomes for children. Furthermore, the Sports Premium funding has been used for two members of staff to attend the ASA National Curriculum Training Programme for Swimming Module 1 & Module 2 which now allows them to support children swimming in the water which has a significant impact on the quality of swimming sessions and the attainment of pupils.

<b>Academic Year</b>	<b>Achieved Expected Standard</b>
2015 - 2016	11/49 (22%)
2016 - 2017	12/32 (38%)
2017 - 2018	23/49 (47%)
2018 - 2019	36/48 (75%)

## School & Sporting Success in 2018-19:

- 100% of our children took part in **three** Level 1 Sporting events (Intra-school).
- 70% of our children took part in a Level 2 Sporting event (Inter-school).
- 5% of our children took part in a Level 3 Sporting event (County Competition)
- 80% of our children participated in onsite Afterschool Club provision.
- 15 onsite Afterschool Clubs available to children each week.
- Sainsbury's School Games Gold Award.
- The Boys Football Team finished 4<sup>th</sup> in the Gordon Walton Football League.
- The Boys Football Team finished 1<sup>st</sup> in the Davison Cup Football Competition.
- The Girls Football Team finished 2<sup>nd</sup> in the Derwentside Girls Football League.
- The Year 4 Football Team finished 1<sup>st</sup> in the Quarterfinals of the County Cup.
- The Girls Cricket Team finished 4<sup>th</sup> in the Derwentside Kwik Cricket Festival.
- The Athletics Team finished 2<sup>th</sup> in the Derwentside Sportshall Athletics Competition.
- The District Athletics Team finished 1<sup>st</sup> in the District Athletics Competition.
- Multiple children qualified for the Durham County Athletics Finals.
- Multiple children won their individual events at the Derwentside Swimming Gala.
- Multiple children were celebrated in school assemblies and newsletters for extra-curricular sporting successes.
