

# KS2 Pupils' Online-Safety Agreement

## For my own personal safety – everywhere!

- When I use a device in school, I will wipe down the keyboard and touchscreen before and after using it.
- I will ask permission from a member of staff before using the Internet at school
- I am aware of 'stranger danger' when online and will not meet online friends
- I will tell an adult about anything online which makes me feel uncomfortable
- I will not try to bypass the system to reach websites the school has blocked
- I understand that the school may check my files and may monitor the web pages I visit
- When in school I will only contact people with my teacher's permission
- I understand that social media platforms have age-restrictions for a reason and will not try to access these without parents'/carers' knowledge.

- I will be very careful when sharing pictures or videos of myself or my friends, if I am in school I will always check with a teacher
- I will not put my 'Personal Information' online (my full name, birthday, phone number, address, postcode, school etc)

## To keep the system safe

- I will only use my own login and password, which I will keep secret
- I will not access other people's files
- I will not play games on a school computer unless my teacher has given me permission
- I will not install software on school computers
- I will not use the system for gaming, gambling, shopping, or uploading videos or music

## Responsibility to others

- I understand that everything I do online has consequences, just as in the offline world. I will not use digital media to cause harm, offence or otherwise to others.
- The messages I send will be polite and responsible – in school and out of school.
- I will not upload images or video of other people without their permission
- Where work is copyrighted (including music, videos and images) I will not either download or share with others
- I understand that the school may take action against me if I am involved in incidents of inappropriate behaviour wherever their location. If the activities are illegal this may be reported to the police

## Personal Devices

- The school cannot accept responsibility for loss or damage to personal devices
- It is not permitted for pupils to bring mobile phones to school unless the mobile phone contract has been agreed and signed by pupils and carers. I understand that devices will be confiscated and returned to parents/carers at the end of the day if I do not follow the mobile phone contract.
- Other devices (eg games consoles, cameras, smart watches) are not permitted to be brought to school
- I will not use any personal device to take photographs, videos or record audio of any sort while within the school grounds.

## Google Classroom

- I will only use my own login and password, which I will keep secret
- I will respect others' views and comments in the class stream and only use it for posting positive messages
- I will complete work set online promptly and to the same standard expected within school
  - I will only use google classroom for school purposes and will not try to use my account to sign up for any other online services.
