Dear Parent/Carer

Friday 18 May 2018

It has been another very busy week. Our Year 6 children in Classes 12 and 13 have worked extremely hard completing tests this week. We are very proud of all their efforts. Well done Year 6!

2 x Parent Governor Vacancies

We're looking for two current parents to join our governing body. This is a really rewarding role, in which you'll get to know the school and have an influence on your child's future. As a parent governor, you'll be involved in agreeing the school's objectives and targets, you'll evaluate the progress the school is making, and you'll be a source of support and challenge to the Senior Leadership Team.

We're a very friendly group, with varying skills and experience, but with one thing in common: a passion for great education, and getting the very best outcomes for all our children.

Please send an email if you wish to find out more information. The school email address is delveslaneprimary@durhamlearning.net. Application packs are available from the School Office.

Managing Violent and Abusive Visitors Policy

The governing body of Delves Lane Primary school encourages close links with parents and the community. It believes pupils benefit when the relationship between home and school is a positive one. The vast majority of parents, carers and others visiting our school are keen to work with us and are supportive of the school. However, on the rare occasions, when a negative attitude towards the school is expressed, this can result in aggression, verbal and/or physical abuse towards members of school staff or the wider school community.

We expect parents and other visitors to behave in a reasonable way towards members of school staff as well as other parents on our school site. Our policy on the school website outlines the steps that will be taken where behaviour is unacceptable. Thank you for your support with this matter.

(Due to technical difficulties we are unable to upload the policy today, we hope to have it on the website next week).
