

## Hello Class 1 and 2

We hope you are staying safe and well at home and enjoyed the lovely weather during the half term holiday! We have put together some more activities to keep your brains growing and keep you busy this week! We love to see what you've been up to and don't forget to keep reading! We miss you lots, Mrs Randell, Mrs Moody, Miss Taylor and Mrs Beauvoisin

Our suggested timetable: (this is flexible and always make sure you do what works for you and your family).

**9.00 - 9.30** Joe Wicks workout/exercise

**9.45 - 10.00** Maths: number

**10.00 – 10.45** Maths

**11.00 - 11.15** Sounds-Write: Revision and practice of sound books and reading books

**11.15 – 12.00** Literacy – Talk 4 Writing

**1.00 – 2.00** Afternoon activities

## Talk 4 Writing

Continuing last week's story on the Talk 4 Writing website: The Amazing Adventures of Max.

**Monday:** Read or listen to the story of The Amazing Adventures of Max to remind you of the story:

<https://www.talk4writing.co.uk/wp-content/uploads/2020/04/Reception-Sue.pdf>

Complete the positional language activity on pages 11 and 12.

**Tuesday:** Practise singing the nursery rhyme together on page 13 and change the words.

**Wednesday:** Reread the story and complete the rhyming activities on page 15 and 16.

**Thursday:** Go on a stick walk as described on page 19!

**Friday:** Now it's time to be an author and create your own story! Use the ideas and activities on pages 20-22 to help and don't forget to share yours with us!

## Ten Town

Number practise 19 and 20

## Maths: Subtracting

1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20

**Monday:** Watch 10 Green bottles to practise counting backwards

<https://www.youtube.com/watch?v=rPCzwqbFAn0> Make a Rocket Mouse by making a paper cone on top of an empty pop bottle. Count backwards from 10 and launch the mouse by squeezing the bottle when you get to zero! Can you count backwards from 20? Send us a video of your countdowns!

**Tuesday:** Draw a number line from 0-20. Take turns to start at 20, roll a dice and count backwards. You could even make a big track outside and jump backwards down your own track!

**Wednesday:** Count backwards while you Floss with Dance Monkey!

<https://www.youtube.com/watch?v=8hD26XpuUCc> Send us videos of you floss counting! Collect 10 small objects (pebbles, objects, pennies etc) Use them to practically solve the subtraction problems:

$10 - 4 =$   $8 - 2 =$   $7 - 5 =$   $9 - 3 =$   $4 - 3 =$   $6 - 4 =$  (explain that this symbol (-) means to take away)

**Thursday:** Watch Number Blocks – Super Subtraction <https://www.youtube.com/watch?v=lgWbM7Pfcc>

**Friday:** Watch Number Jacks “Takeaway:” <https://www.youtube.com/watch?v=kkctu5a1pHc> Practise finding out how many objects have been taken away from a stash when they're hidden. If I had 8 objects and now I only have 6... how many have I pinched? Repeat.

**Challenge:** Try Takeaway within 20 and end your week with another dance monkey floss!

## Afternoon Activities:

\*Watch the video 'Safe in the Sun' and listen to the story 'George The Sun Safe Superstar' Then talk about things they will need and why. <https://www.youtube.com/watch?v=EwyqaLnsi5Q>

\*Collect a range of sticks and decorate them, make mini tepee-style structures by binding them together! Who could live in them?

\*Explore a range of different summer fruits! Look at their textures and smells. An adult can show you how to clean, peel & chop the fruits. Then have a go!

\* Play the children the song 'The sun has got his hat on'

<https://www.youtube.com/watch?v=TTZcADVbTuc> Can you sing the song, clap to the beat, play an instrument in time or join in with some of the actions for the song?

## Sounds-Write Challenge:

Write each letter you know on small pieces of paper (you could simply tear the paper) The adult says a word from your sound book and you spell it by moving your letters!
