

# Welcome to **Green bubble!**

Here is some information about returning to school and what this will look like. Your teachers are:

Mrs Moody

Mrs Clark

## Your days in school are:

Monday 22 <sup>nd</sup> June	Monday 6 <sup>th</sup> July
Tuesday 23 <sup>rd</sup> June	Tuesday 7 <sup>th</sup> July

## Times of the School day:

Drop off time: **9:35 – 9:45am**

Collection time: **2:20pm – 2:30pm**

**Parents/carers will wait at main pedestrian gate. Children will be escorted into school through the gate by members of staff socially distanced. Parents will not be able to enter the site. Your child will be brought back to the main gate at the collection time.**

You will be in the room: **CLASS 2.**

Lots of things are still the same – your room will still be full of love and laughter, just like it always was. Here are some pictures of what the room will look like:

Inside  
Class 2

Our  
outdoor  
area

Children will  
each get an  
individual pack  
of resources

For now, our room will be like our own little bubble. We can play, learn, have fun and care about each other inside our bubble.

## When you come back to school..

...the school day might feel a little bit different for a while.

We might not go to the hall, visit other parts of the building or play with our friends from other classes.

...you have become an expert at washing your hands now so we just need to keep this up!

**Wash, wash, wash!**

...we will try to remain at a **social distance** of 2m wherever possible and talk to children about this but we **cannot guarantee** that this will always be possible.

We will play together but will try not to get too close to our friends.

...we will eat our **lunch** together in our own classrooms at our own table! Then we can play outside in our own outdoor area. Please see FAQs attached regarding lunch times.

...have **fun!** It may feel a little bit strange to begin with but school is still full of fun, love and friendship – even if it looks a little bit different.
