

# EYFS/KS1 Pupils' Online-Safety Agreement

## *Keeping me safe at home and at school*

We ask an adult to clean the ipads and laptops before and after we use them in school.

We check with a grown up before using the internet

We close the computer or iPad and tell a grown up if something we see makes us feel worried.

If we get stuck or lost on the internet, we will ask for help

We can write polite and friendly messages to people we know

We will keep our personal information: our name, address, our school, our pictures 'Top Secret' and not share on the internet

We will not bring mobile phones to school

When we use Google Classroom, we will use our own login and password and keep these 'Top Secret'.

Google Classroom

We will only use Google classroom for school and for being kind.

#### **Parent/Carer Consent**

I have read and understood the Online-Safety Agreement and give permission for my child to access the internet at school and will encourage them to abide by these rules. Children will receive advice on Online-Safety at school. Advice for parents is available at [www.thinkuknow.org.uk/parents](http://www.thinkuknow.org.uk/parents) or by contacting the school. I understand that the school will take reasonable precautions to ensure pupils cannot access inappropriate materials. I will encourage my child to adopt safe use of the internet and digital technologies at home and will inform the school if I have concerns over my child's Online-Safety.

I will ensure that any pictures taken during school events that include other children will not be shared using social media.
