Remote Learning with Kami: For Students

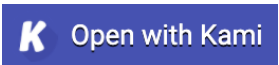

Getting started with Kami's integration with Google Classroom™

Step 1

- Install the Kami Chrome Extension in your Google Chrome Browser (kami.app/extension)
 - Click the **Add to Chrome** button, then **Add Extension**.

Step 2

- Go to [Google Classroom](https://classroom.google.com), open your class, and go to **Classwork**.
- Open your **Assignment**, and choose the file you wish to work on.  **Open with Kami**
You should now see a preview of the file; click **Open with Kami** to start completing your work in Kami.

Step 3

- Sign in using your school's Google account using the **Allow Google Drive** button.

Step 4

- Select **K12 School**, then **Student** as your role, then **Finish**. Now, Kami is set up on your device.

Click **File** and then **Make a Copy** to make this doc your own.

Step 5

- Once you're finished with your work, click the **Turn In** button. This will submit your work to your teacher. Yay! You've now completed and submitted your assignment.

A blue rectangular button with a white floppy disk icon and the text "Turn In" in white.
